

## VALUATION REPORT

### PATEK PHILIPPE WORLD TIME WATCH

**Date of purchase:** 01/07/2026

The Patek Philippe 5130 showcases the brand's iconic world time complication, which allows the wearer to read the time across all 24 timezones simultaneously. First appearing in a production wristwatch in the 1930s with the reference 1415, the world time is among the most beautiful and inherently useful complications.

The inclusion of different cities on the world time over the years is often cited to show how the world has changed through almost a century of refinement of the watch's design. While this watch's predecessor, the 5110, introduced the innovative 10:00 pusher to immediately shift all indications by one hour, the 5130 further modernizes the design with a shift to a bold 39.5mm case.
